

Sport Premium at Easington Colliery Primary School 2016/17

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools. The funding amount schools receive is based upon the number of children of primary age the school has at Jan. of that year. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport.

At Easington Colliery Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

The 2016-2017 Sport Premium funding for Easington Colliery Primary School was **£10,100.**

How was the money spent?

The money was used for: -

1. Investing in the Easington School Sport Partnership Service Level Agreement to provide the school with the following (£5000): -
 - Liaise with the school to develop an annual bespoke P.E. & Sport action plan.
 - Providing curriculum support and high quality CPD for teachers, teaching assistants, NQT's, team teaching, twilights, professional development days etc.
 - Provision of High Quality Coaching support across a variety of sports.
 - A full organised annual programme of competitions/tournaments/festivals **in addition** to the National School Games.
 - Participation, inclusion and excellence opportunities.
 - Identifying the gifted & talented children in P.E & Sport
 - Provision of an after-school activity in every term in a variety of sports.
 - SSP Network meetings to support PE Co-ordinators / PLTs in their role developing PE & sport within their school.
 - Identifying opportunities for young leaders to practise their skills through volunteering in schools.
 - Assistance in the process of applying for national 'Kitemark' status for High Quality Provision of P.E. & School Sport.
 - Promotion and development of links to local sports club.
 - Sustain and grow the network of Change4life clubs.
 - Central co-ordination of school sport programmes in SSP area.
2. Establish and develop a sports committee (£200)
3. Purchase equipment to support with the delivery of high quality P.E. and School Sport sessions (£1000)
4. Hire of transport to access sporting activities (£1000)
5. Purchasing of trophies/medals/certificates – Sports Presentation Night (£500)
6. Reception year group P.E. support (Foundation of Light) (£800)
7. Skiing provision with transport (£1000)
8. Deliver three Sports Day/Afternoons (£300)
9. Organise and deliver a Fundraising Event (Race for Life) (£500)

Total spend £10,300 (overspend met through school's own budget)

What was the Impact?

The Sport Premium Funding has impacted our school in the following ways:

- 1) Engage all pupils in regular physical activity – kick-starting healthy active lifestyles**
Our school continues to offer weekly physical activity through Physical Education (P.E.) lessons from Reception to Year 6. P.E. lessons are delivered from a balanced and varied yearly timetable.
- 2) The profile of PE and sport being raised across the school as a tool for whole school improvement**
Sport and P.E. is used across school as a method to improve children's confidence, behaviour and motivation. Sports Leaders deliver break time activities to engage children and certificates are awarded for effort, determination and consistent participation. Other procedures involve awarding participation certificates for those who compete in competitions and announcing those who have competed during school assemblies. Our school actively promotes all teams through our social media.
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and sport**
Staff are offered training through staff meetings and briefings and are offered the opportunity to discuss sessions/programmes with the Subject Lead. All staff have task cards and supporting lesson plans to guide them through each unit they are expected to deliver. Training is given to new staff and those requesting lesson support through the agreement with the School Sport Partnership.

The Subject Lead has also used the SSP to develop his skills and also attended courses and conferences.

- 4) Broader experience of a range of sports and activities offered to all pupils**
Children in our school are offered a full range of sports and activities to show and develop their skills. These activities are offered through P.E. lessons, extra-curricular activities and during break time activities.
- 5) Increased participation in competitive sport**
Through our involvement with the School Sport Partnership, we entered 24 festivals/tournaments in 2016/17. These range from Football to Hockey to Outdoor Adventurous Activity (OAA) and were offered to children across all year groups. In addition to these events we also compete in football tournaments offered through the Peterlee and District Schools Football Association and Durham Schools Football Association (progressing to regional and national finals). We also support events offered by local providers (E.g. local clubs).

In 2016/17, we had 260 children take part in inter-school competitions/festivals.

How we ensure Sustainability?

To ensure the Sports Premium is sustainable we will ensure that -

- We invest in, and utilise the support offered by, the School Sport Partnership
- A range of clubs are offered by other external providers and there is a programme in place to ensure different children are targeted to attend.
- Staff pass on skills and ideas through staff meetings/briefings and also to colleagues.
- The Sports Committee model is continued to offer regular physical activity and to provide a voice for children in the school.
