

WEEKLY WORD

Friday 4th September 2020

Headteacher Message

Dear Parents,

I do hope, despite the current restrictions, all of our families have had a relaxing and enjoyable summer holiday.

We are delighted to welcome all children and staff back into school.

Over the past few days, attendance and behaviour of our pupils has been excellent.

These are challenging times and I understand the frustration of parents regarding the drop off and pick up procedures, however, there is no one solution.

We will continue to review procedures, listen to parents and adjust systems accordingly, and I am sure, working together, things will improve in the future.

Miss Jones

We would to thank all of our families for your patience with our one way system. We must

stress how important it is that we all follow the instructions, whilst on the school site.

Can we also remind parents not to enter the school building, including the school office, without prior appointment. Please ensure your child is fully equipped for the day as the office cannot accept anything from parents during the school day.

If your child is arriving at school late, please bring them to the automatic doors at the main entrance, where a member of staff will let them in.

Please note—you are NOT able to accompany your child into the building.

REMINDER

We are not currently sending out any paper correspondence. Please download the school app and ensure we have your up to date email address, so you can receive information.

Reception parents—information on the app will be sent out to you via email next week with instructions.
