

WEEKLY WORD

Friday 15th October 2021

Reception Library Visit

Some of our reception children went out to visit our community library as part of our learning to read journey. The children borrowed some books from the library to share back at school with their classmates. The children were accompanied by our Year 6 ambassadors who were excellent role models to our younger pupils! All of the children were very well behaved and great representatives of our school.

World Mental Health Day

Flu Vaccination

The nasal flu vaccination is being offered to all children; Friday 5th November in school.

How To Give Consent

1. Go to <https://www.hdft.nhs.uk/fluconsent/>
2. Enter the school code **114210** and click find school.
3. Complete the form with your child's information and parent contact details.
4. Click the green **"Submit"** button.

Attendance Winners

Well done to this week's attendance winners!

1st: 4DT, 2nd: 5MM, 3rd: RLB

COVID-19 - Testing

We are continuing to see positive cases in some year groups. Please can we remind parents/ carers that if a child develops a cough, has a high temperature or loss of taste/smell you must arrange for a PCR test. Your child can only return to school when they have a negative test result, even if they no longer have any symptoms. The test results can be emailed to easington.colliery@durhamlearning.net We cannot accept the results from a lateral flow test as they are not designed for children who have symptoms. We appreciate that many children may have these symptoms due to having a cold etc but this has been the advice issued from Public Health England to schools.
